5) It would have possibly sped our cogitation processes to have had all the demos (Philip & Richard) earlier (possibly even in the first briefing session on March 13. This might have helped avoid a number of false starts.
8) Put the multimedia developers earlier in the programme
21) More material on learning patterns that are suitable for use with e-learning and RLOs
24) All seemed appropriate

6. Any other comments

1) Was enjoyable
4) Very good worthwhile programme
5) Thanks for creating this opportunity and for making such excellent support available
9) The wireless access in the hotel was very slow, a lot of time was wasted because of this
10) Useful to gain different perspectives on our ideas - project changed considerably over the course of the 2 days, but have clearer idea now how to proceed.
11) The workshop was very good - enjoyed it a lot
14) Very enjoyable
18) Excellent event
19) Excellent. Very enjoyable
20) Would like access to all projects when finished to promote within FE sector.
